

Lakewood Police Department

Property Check Request

The Lakewood Police Department offers a vacation property check within the confines of the City Limits of Lakewood. This is done strictly as a service to homeowners. We attempt to check property as often as schedules and police activity allow. You must understand that this service does not assure that your home will not be burglarized or vandalized as Officers cannot constantly maintain surveillance of your property.

However the property check program does provide supervisors and patrol officers with information that enables them to provide enhanced coverage to potential areas of concern. Burglary prevention is a high priority for Lakewood Police Officers and a property check may prevent criminal activity due to increased police presence in your neighborhood and at the least allows us to discover most crimes while evidence is fresh thus increasing the probability of suspect apprehension.

Please answer the following:

- 1) Do you live within the city limits of Lakewood? _____
- 2) Will you be gone more than 1 night and less than 60 days? _____
- 3) Will your home be unoccupied during this time frame? _____

If the answer to any of these questions is "no" the Lakewood Police Department will not be able to provide the "Property Check" service for your location.

If you qualify for the property check please fill out the following information form so we will have the required information to assign patrols during your absence. For additional information please contact the police department at 847-8030. Thank you for allowing us to serve you.
